

Hey Momma (lyrics)

Verse:

You carried me for 9 months
So uncomfortable with a baby bump
You stayed strong so I could take a breath
You sacrificed your younger life
So I could learn,,you paid the price
Of giving up your dreams so i could make my own.

Chorus:

Hey momma - I love you
Hey momma - I love you
I wanted you to know so I wrote this song for you
Hey momma - I love you
Hey momma - I need you
I wanted you to know so I wrote this song for you

Verse:

You carried me for 18 years
Standing by my side while I faced my fears
There hasn't been one day where I've ever felt alone
My college day you dropped me off
I watched you drive away as I grabbed my bags
I felt so strong and brave because of you

Chorus:

Hey momma - I love you
Hey momma - I love you
I wanted you to know so wrote this song for you
Hey momma - I love you
Hey momma - I need you
I wanted you to know so I wrote this song for you

Verse:

It's been 30 years
They have gone so fast
We have many more so let's make them last
I look forward to every day I get to spend with you
I fear the day, I see you leave
I'll stay strong that's what I promise you.
I'll raise my kids and pray they're just like you

Chorus:

Hey momma - I love you
Hey momma - I love you
I wanted you to know so wrote this song for you
Hey momma - I love you

Hey mamma - I need you
I wanted you to know so I wrote this song for you
